REQUEST FOR PROPOSAL

SIBL Securities Limited (SIBLSL) is a subsidiary company of Social Islami Bank Limited commenced stock broking activities in January 2012 after obtaining license from Bangladesh Securities and Exchange Commission (BSEC) as Stock Broker & Stock Dealer. The company presently holds the TRECs of Dhaka Stock Exchange Limited and Chittagong Stock Exchange Limited. It is intending to hold more TRECs of future Stock Exchanges. It provides investors with a platform to trade all Stock Exchanges. The company also holds the Depository Participant (DP) license. At present the company has two branches located in Dhaka & Chittagong and two Extension Offices at Shewrapara, Mirpur and Motijheel, Dhaka. SIBLSL is presently using "Blue-chip" and planned migrating to another up to date application which is highly functional and secured in respect to present regulatory requirements, past data migration, customer management, routine transactions, internal management information reports, branch management, asset management, user management, administrators management, third party's control management etc. and configurable and flexible to future changes and migrations as and when required. The intending bidder should be a sole Bangladeshi Company or Joint Venture Bangladeshi Company having all required experts residing in Bangladesh for maintaining and debugging the program without interruptions of business. The successful bidder shall have to provide maintain and support services at least 5 years and onward under a mutually accepted Service Level Agreement (SLA) after successful migration of data from the existing system and complete implementation of new application. SIBLSL expects-

- The bidder must be a member of BASIS for at least 10 years.
- The Bidder should have offices in Dhaka Division
- The bidder should be a registered Limited company and must be at least 15 years old
- The Bidder should have annual turnover of 5 million taka approximately
- In case of JV, the partner company has to be a registered Limited company and must be 10 years old.
- The bidder / lead bidder must have at least 15 years' experience in the software development & Implementation
- The bidder / lead bidder must have at least 10 years experiences in the Capital Market Software development & implementation
- The Bidder must have the experience of working with at least 50 organizations out of which at least 30 are Stock Market Brokerage House.

SIBLSL hereby requests eligible intending companies to submit proposals for supplying, implementing and maintaining an up to date business application program for SIBLSL with data migrations from existing application system within 25.10.2021, 3:30 pm. The application price shall be inclusive of all cost up to complete implementation, data migration and warranty service up to first 2 years inclusive of VAT and the SLA price shall be quoted before VAT price per year. Only shortlisted bidders might be called for presentation and negotiation. SIBLSL is not bound to accept the lowest bid. Functionality of the application will govern the most selection process. Interested bidder may contact over email to siblsl@sibl-bd.com for further clarifications and they are requested to follow the tender link of web page- <https://www.siblbdc.com/media#tender> for addendums to this tender until the day before submission date. Management holds the right to bring any changes or even cancel this request at any time without assigning any reason.
